Enclosure

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN APPLICATION OF RATES FOR WATER)	
SERVICE OF NORTHEAST WOODFORD)	CASE NO.
WATER DISTRICT)	2008-00061

ORDER

On February 19, 2008, Northeast Woodford Water District ("Northeast Woodford") filed its application for Commission approval of proposed water service rates. The proposed rates would generate additional annual revenues of \$21,833, a 4 percent increase in normalized test-year sales for water service rates of \$546,686. The proposed rates would increase the monthly bill of a customer using 5,000 gallons through a 5/8" x 3/4" connection from \$24 to \$24.33, or 1.3 percent.

Commission Staff performed a limited financial review of Northeast Woodford's operations and prepared a report containing its findings and recommendations. In its report, Commission Staff recommended that the Commission approve the proposed rates. On April 9, 2008, the Commission issued the report and directed all parties to submit any comments or requests for an informal conference or hearing to the Commission within 10 days. The Commission has not received any comments or requests.

The Commission, after considering the evidence of record and being otherwise sufficiently advised, finds that the rates proposed by Northeast Woodford and shown in this Order at Appendix A are fair, just, and reasonable.¹

IT IS THEREFORE ORDERED that:

1. The findings contained in the Staff Report are adopted and incorporated by reference into this Order as if fully set out herein.
2. The rates proposed by Northeast Woodford and contained in Appendix A of this Order are approved for service rendered by Northeast Woodford on and after the date of this Order.
3. Within 30 days of the date of this Order, Northeast Woodford shall file with the Commission its revised tariffs setting out the rates approved herein.

Done at Frankfort, Kentucky, this 30th day of April, 2008.

By the Commission

ATTEST:

Stephen D. Jumbo
Executive Director

¹ The rates approved in this Order reflect the recent increase in the rate that the city of Versailles, Northeast Woodford's wholesale supplier, charges. Accordingly, Northeast Woodford is not eligible to apply, pursuant to 807 KAR 5:068, for a rate adjustment for this wholesale rate increase.
